Proposed Location Of Banner: _____

What the banner will say: _____

Banner description size, colors, material; photograph or drawing if possible: _____

Dates of proposed use – from _____ to _____

Temporary banners are permitted for a period of up to **thirty days**. It is the business owner’s responsibility to insure that the banner is displayed only for the permitted period, and that it is removed immediately thereafter.

The applicant shall agree to §14.58.070 of the Carpinteria Municipal Code: “Upon issuance of a *banner* permit, one *banner* at a time, no larger than thirty square feet, no *banner* kept in place for longer than thirty consecutive days, no more than four thirty-day periods per calendar year. The intent of this section is to allow advertisement of special or temporary circumstances, not to advertise a daily service or goods sold. The community development director may deny temporary sign permits if it is determined that the purpose of the *banner* or other promotional material is to advertise something other than a temporary event.”

Applicant agrees with the following: I have read and understand the terms of this temporary banner permit and agree to display the banner only for the time period stated above, per Carpinteria Municipal Code § 14.58.070(5).
